MEGA O-RING KITS

Packaged in a convenient carry case, the MFP Seals Mega O-Ring Kit contains 1,415 O-Rings, in the most common sizes. Each sub kit, 1/16", 3/32", & 1/8" C/S O-Rings, BOSS and Flange O-Rings are self contained in easy to manage cases. Made from our N6001, N6003 and V7100 compounds they are a great addition to your repair kit inventory. Call your local MFP Seals' Sales Associate for pricing, and order some today.
